BOOK SYNOPSIS

Helping applicants navigate the intricate yet vitally important essay process at elite schools such as Stanford -- a university that enrolls students from all 50 states and 52 countries and has an admission rate less than seven percent -- this go-to guide helps prospective students see for themselves what it takes to be admitted to selective programs. Along with the 50 essay examples that give a detailed analysis of the strengths and even weaknesses of each essay, there are tips from college admission officers and successful applicants and a description of the 25 essay mistakes that guarantee failure.
