BOOK SYNOPSIS

Note: If you are purchasing an electronic version, MasteringGeology does not come automatically with it. To purchase MasteringGeology, please visit www.masteringgeology.com or you can purchase a package of the physical text and MasteringGeology by searching for ISBN 0133564878. Natural Hazards focuses on hazards as the interface between humanity and its needs for space and resources, as well as on the ongoing geologic processes of Earth and features many new Canadian examples and discussions while retaining the best U.S. and international illustrations. The third Canadian edition strikes an ideal balance between the scientific and the human aspects of natural hazards, combining basic scientific principles within a solid social framework.
