BOOK SYNOPSIS

Lord Copper, newspaper magnate and proprietor of the Daily Beast, has always prided himself on his intuitive flair for spotting ace reporters. That is not to say he has not made the odd blunder, however, and may in a moment of weakness make another. Acting on a dinner party tip from Mrs. Algernon Stitch, Lord Copper feels convinced that he has hit on just the chap to cover a promising war in the African Republic of Ishmaelia. So begins *Scoop*, Waugh's exuberant comedy of mistaken identity and brilliantly irreverent satire of the hectic pursuit of hot news.

SCOOP - Are you looking for Ebook *Scoop*? You will be glad to know that right now *Scoop* is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
